#### THE INSTITUTE OF CHARTERED ACCOUNTANTS OF INDIA

New Delhi-1, the 13th March 1969

No. 8-CA(1)/17/68-69—In pursuance of clause (iii) of Regulation 10(1) of the Chartered Accountants Regulations, 1964, it is hereby notified that the Certificates of Practice issued to Shri C. Vishnu Rao, A.C.A. C/o Shri C. Krishna Rao, B.Com., of Canara Bank Ltd., Basavanagudi Branch, Basavanagudi, Bangalore-4 (Membership No. 9874), shall stand cancelled with effect from the 6th day of February, 1969 to 30th June, 1969, as he does not desire to hold the Certificate of Practice.

The 18th March 1969

(CHARTERED ACCOUNTANTS)

No. 1-CA(30)/69—The following draft of certain amendments to the Chartered Accountants Regulations, 1964, which it is proposed to make in exercise of the powers conferred by sub-sections (1) and (3) of Section 30 of the Chartered Accountants Act, 1949 (Act XXXVIII of 1949), is published for information of all persons likely to be affected thereby and notice is hereby given that the draft will be taken up for consideration on or after the 30th April, 1969.

Any objection or suggestion which may be received from any person with respect to the said draft before the date specified will be considered by the Council of the Institute of Chartered Accountants of India, New Delhi.

In the said Regulations :—

1. Delete Regulations 38 and 58 dealing respectively with the "Termination of Service" in the case of articled and audit clerks.

519GI/68

II. In Schedule 'A' in Form "16" add the following item 9, viz:

- "9 (i)-(a) Whether engaged in any other business or occupation. If so, whether the permission of the Council has been obtained (quote letter No. and date).
- (b) If permission is sought for, give full details.
- (ii)-(a) Whether taken up any course of study, academic or professional. If so whether permission of the Council has been obtained to be so engaged. (quote letter No. and date).
- (b) If permission has not been obtained, give full particulars of the course, timing of the classes held and your employer's working hours etc."

No. 1-CA(29)/68—In pursuance of sub-regulation (2) of Regulation 59 of the Chartered Accountants Regulations, 1964, the Council of the Institute of Chartered Accountants of India is pleased to make the following amendments in the Chartered Accountants Students' Association Rules.

In the said Rules :—

1. In Rule 7, between the existing clauses (v) and (vi), insert the following new clause :—

"(v-a) Providing facilities to students like book-banks etc."

2. In Rule 12, for the existing clauses (c), (d) and (e), substitute the following :—

"(c) One-third of the members nominated by the Regional Council and one-third of the elected members, or

if in either case their number is not three or multiple of three, then the number nearest to one third, shall retire every year at the Annual General Meeting and their places shall be filled, in case of those nominated by the Regional Council, by fresh nominations by the Regional Council and in case of those elected by the members, by an election: Provided that any member co-opted in pursuance of Rule 20(iii) shall not be counted in the number of members liable to retire under this clause.

(d) The members to retire by rotation at every Annual General Meeting shall be those who have been longest in office since their last nomination or election, but as between persons who became members on the same day, those to retire shall, in default of and subject to any agreement amongst themselves, be determined by lot at a meeting of the Managing Committee held at least 30 days before the Annual General Meeting concerned.

(e) The members of the Managing Committee elected at the Annual General Meeting shall take office from 16th September next following ordinarily for a term of three years."

3. For existing Rule 15, *substitute* the following:—

"15. (1) The Students' Association Managing Committee shall, at its meeting held, as far as may be, in the later half of the month of September every year, elect the Vice-Chairman, the Secretary and Treasurer thereof and so often as any of these offices becomes vacant, the Students' Association Managing Committee shall choose another person from amongst its members to hold that office.

(2) If within half an hour from the time appointed for a meeting convened for the purposes of sub-rule (1), a quorum as provided is not present, the said meeting shall stand adjourned to the same day in the next week at the same time and place and at such adjourned meeting of the Managing Committee, the members present not being less than two, shall form the quorum and shall have the power to transact all the business which could properly have been transacted at the original meeting, if the necessary quorum had been present."

4. For existing Rule 19, *substitute* the following:—

"19. The Chairman shall continue to hold office so long as he is a member of the Regional Council and so long as a new Chairman has not been nominated by the Regional Council. The Vice-Chairman, Secretary and Treasurer shall hold office until the meeting of the Managing Committee contemplated in Rule 15 for the purpose of electing the new office-bearers, but the retiring office-bearers shall be eligible for re-election subject to other provisions of these Rules."

5. In Rule 25, *add* the following sub-rule (4):—

"(4) Except as provided for under Rule 15(2), no business shall be transacted at any meeting unless there is a quorum of 5 members personally present. If the said quorum is not present at a meeting, the meeting concerned shall stand dissolved."

6. In Rule 26:—

(a) *Renumber* the existing clauses (v) and (vi) as (vii) and (viii) respectively.

(b) *Add* new clauses (v) and (vi), as under:—

"(v) The Students' Association may collect voluntary contributions for any specific activity with prior sanction of the Regional Council.

(vi) All the properties, assets and funds of the Association shall at all times vest in the Central Council, but the Managing Committee shall have the right to administer them subject to control and direction of the Central

Council and/or any of its Committees through the Regional Council concerned."

*The 19th March 1969*

No. 5-CA(1)/27/68-69—With reference to this Institute's Notification No. 4-CA(1)/9/68-69, dated the 31st July, 1968, it is hereby notified in pursuance of Regulation 18 of the Chartered Accountants' Regulations, 1964, that in exercise of the powers conferred by Regulation 17 of the said Regulations, the Council of the Institute of Chartered Accountants of India has restored to the Register of Members, with effect from the 11th March, 1969, the name of Shri Navinchandra Maganlal Chheda, A.C.A., 3943, Locust Street, P.A-19104, Philadelphia, U.S.A. (Membership No. 9101).

### TEXTILES COMMITTEE

*New Delhi, the 22nd February 1969*

No. 18(47)-Tex(A)/68—In exercise of the powers conferred on it under Section 23 of the Textiles Committee Act, 1963 (No. 41 of 1963) read with sub-clauses (c) & (d) of Sub-Section 2 of Section 4 of the same Act, the Textiles Committee with the previous sanction of the Central Government makes the following regulations establishing inspection standards for handloom cotton cloth known as 'Bleeding Madras' fabrics and Etawah striped Bedspreads meant for export and specifying the type of inspection to be applied.

#### Short Title

1. These Regulations may be called Handloom Cotton Cloth Inspection Regulations, 1968 for Bleeding Madras Fabrics and Etawah striped bedspreads.

#### Definition

2. (a) 'Committee' means the Textiles Committee,

(b) 'Lot' means the quantity of the material purporting to be of one definite type and quality.

(c) 'Material' means Handloom Cotton Cloth known as 'Bleeding Madras' fabric and Etawah striped bedspreads.

(d) 'Major flaw' means—

(i) weft crack or two or more missing picks across the width of the fabric,

(ii) weft bar due to the difference in raw material, count, twist, lustre, colour shade or pick spacing of adjacent groups of weft yarns,

(iii) more than three adjacent ends running parallel, broken or missing and extending beyond 6 inches,

(iv) prominent selvedge defect,

(v) noticeable warp or weft float in the body of the fabric,

(vi) oil or other stain in the fabric,

(vii) oily weft in the fabric,

(viii) conspicuous broken pattern,

(ix) blurred or dark patch,

(x) patchy or streaky or uneven dyeing,

(xi) dye bars,

(xii) prominent stains,

- (xiii) printing defect caused by non-alignment of printing screen or roll,
  - (xiv) off-side printing stain,
  - (xv) tinting or uneven printing,
  - (xvi) printing defect caused by hanging threads,
  - (xvii) printing defects caused by cloth being wrinkled while printing,
  - (xviii) defective printing or dyeing on selvage mainly due to the selvage crease, and
  - (xix) doctor's stain or line.
- (c) 'Serious flaw' means—

- (i) more than one adjacent end missing in the body of the piece throughout its length or more than three ends missing at a place and running over 24",
- (ii) undressed snarls noticeable throughout the length of the piece,
- (iii) smash definitely rupturing the texture of the fabric,
- (iv) hole, cut or tear in the body of the fabric more than  $\frac{1}{4}$ " in size,
- (v) defective or damaged selvage noticeable throughout the length of the piece.

#### Offering of the Material for Inspection

3. The Manufacturer/Exporter will be responsible for carrying out inspection of the material prior to offering the same for inspection so as to eliminate any material which is not up to the required standard and to rectify the rectifiable defects such as loose threads, snarls, removable stains, etc.

#### Inspection Criteria

- 4. (a) The inspection of the material will be both with reference to specifications and flaws.
- (b) Material comprising Etawah striped bedspreads, shall be subjected to test for fastness to light, and washing.
- (c) Material comprising Bleeding Madras fabrics, shall be subjected to bleeding test.

#### Sampling for Inspection

5. The Inspector shall select at random 20% of the material offered for inspection; the percentage may be increased higher than 20, if necessary, depending on the variability characteristics of the material. A minimum of 5% of the pieces offered for inspection shall be examined for construction particulars, viz. ends and picks/inch, width, length and weight per piece. The pieces so drawn shall constitute the test sample.

#### Drawing of Sample for Test

6. One sample of one metre full width for every 10,000 metres or part thereof shall be drawn for count test;  $\frac{1}{4}$  metre pieces shall further be drawn representing each shade or colour of the material in the lot.

The count test shall be carried out in accordance with IS : 3442-1966. In the case of Etawah striped bedspreads, fastness to light shall be determined according to IS : 3854-1967 and fastness to washing shall be determined by subjecting the sample to wash wheel test No. 3 as prescribed by the Society of Dyers and Colourists. In the case of 'Bleeding Madras' fabric the bleeding test shall be carried out according to the method given in Annexure 'A'.

#### Sub-standard Piece

7. A piece shall be considered sub-standard for the following reasons :—

- (a) If it does not conform to the applicable specification requirements given in Annexure A in respect of Bleeding Madras fabric and in Annexure B in respect of Etawah striped Bedspreads.
- OR
- (b) If it contains any serious flaws;
- OR
- (c) If it contains major flaws in excess of the number indicated in column 2 of Table I below :—

TABLE I

Piece-length	Maximum No. of permissible major flaws in a piece	Avg. No. of permissible major flaws per piece
Below 5 metres	2	0.50
Above 5 metres upto 10 metres	3	0.75
Above 10 metres	4	1.00

#### Rejection of Lot

8. The lot shall be rejected :—

- (a) If more than 20% of the total number of pieces inspected are found to be sub-standard under Regulation 7.
- (b) If the average number of major flaws per piece inspected [excluding the pieces rejected under Regulations 7(a), (b) and (c)] exceeds that shown in column 3 of Table I under Regulation 7(c).
- (c) If the count of yarn does not conform to the applicable values given in Annexure A or B.
- (d) If the requirements of colour fastness of Etawah striped bedspreads are not of the standard prescribed below :—  
Light—4 or better  
Washing—Wash wheel test No. 3
- (e) If Bleeding Madras fabric does not pass the bleeding test prescribed in Annexure 'A'.

#### Permissible Tolerance

9. For determining whether the material conforms to the construction and other particulars stipulated, the following tolerances shall be allowed—

- (a) Count of yarn :  $\pm 5\%$
- (b) Ends/inch :  $\pm 5\%$
- (c) Picks/inch :  $\pm 5\%$
- (d) Length : } Not more than
- (e) Width : } minus 1%
- (f) Weight per piece :  $\pm 6\frac{1}{4}\%$

#### Inspection for Construction

10. When determining construction particulars, the following procedure shall be adopted :—

- (a) width shall be measured at five different places in the piece,
- (b) ends/inch shall be counted at not less than three different places across the width of the piece, and
- (c) picks/inch shall be counted at five different places in the piece.

**Packing and Sealing**

11. The material inspected and passed shall be marked with the required stamps including the Hand-Fab Seal and packed into bales in the presence of Inspector. The bales so packed shall be sealed by the Inspector.

**Certificate**

12. In respect of each lot inspected and not rejected under Regulation 8, a certificate shall be issued to the party concerned by an Officer authorised by the Committee in this behalf. Such certificate shall be issued after completion of inspection and necessary laboratory tests.

**ANNEXURE A****'BLEEDING MADRAS' FABRIC**

'Bleeding Madras' fabric is a plain, closely woven solid check or stripe patterned cotton cloth. The yarn used is dyed with dyes which are not fast to washing. On washing, the colours blend or mute with one another to produce a mellowed or subdued shade effect.

The construction particulars of the fabric are as under :—

Count of warp	: 60s
Count of weft	: 40s
No. of ends/inch	: 84
No. of picks/inch	: 96
Width	: 39" to 42"

**Test Method for determining properties**

Cut out two test specimens each measuring approximately 4 cm x 10 cm from the sample under test. One of the test specimens is treated in a soap solution containing 2 gms per litre soap (specimen to liquor ratio being 1 : 50) at temperature of 40°C for half an hour. Thereafter, rinse the specimen in cold water and dry at room temperature. Compare the treated specimen with the untreated specimen. Bleeding is said to have taken place, when the colours of the treated test specimen mute or blend on to the neighbouring colours to produce a mellowed or subdued shade effect.

**ANNEXURE B****ETAWAH STRIPED BED SPREADS**

Etawah striped bed spreads have coloured stripes in the weft direction. The specification particulars of the material are as under :—

Count of warp	Count of weft	Ends/inch	Picks/inch	Width x Length (in inches)
20s	20s	40—44	28—32*	72 x 90 72 x 108 90 x 108
2/40s	2/20s	40—44	26—30*	"
20s	12s or 6s	92—96	32—36**	"

\*Two threads working as one

\*\*Two threads will work as one, if 12s weft is used. If 6s weft is used, weft will be single.
